

iOS T&E Expense Management and Mobile Security Enterprise Workshop

Learn about BusinessPlus - a powerful new iOS solution which automates staff T&E expense requests and approvals, as well as supplier invoice payment authorizations, and hear from Blue Arca - a cybersecurity expert - about how to keep your organization secure while benefitting from all that mobile technology has to offer.

Companies everywhere are streamlining the way they do business by automating and digitizing back office workflows. Join us on Thursday, May 18 to learn about BusinessPlus - a powerful new iOS solution which is perfect for businessmen who want to stay connected while out of the office. Experts from Blue Arca Cybersecurity will also explain how to take advantage of powerful new mobile solutions like BusinessPlus without sacrificing your organization's security.
