

iOS Restaurant Solution Workshop

Learn about how Eats365 and OpenRice can modernize your restaurant operations, improve your customer experience, and help you increase your bottom line.

Apple's iOS devices are personal computers for the modern business world. Join us at Apple's office in Times Square Causeway Bay to learn about a powerful new restaurant management solution from Eats365, and how Eats365 and OpenRice are working together to change the way restaurants serve their customers in Hong Kong with iOS devices. [Register now](#) for this free workshop, as space is limited.
